Welcome to ym GRAPHIX!

Step into a charming world of whimsical gothic details, magical little treasures, moonlit cottages, mysterious cats, and cozy spooky scenes. This printable coloring book was created for peaceful, creative moments and everyone who loves a touch of gothic magic.

Enjoy these five pages? Find the full book with 25 coloring pages at www.ym-graphix.com.

Printing Tips

- Paper size: US Letter (8.5 × 11 inches).
- Print at Actual Size / 100%.
- Choose High Quality or Best print settings.
- Print on one side of the paper.
- Use thicker paper if coloring with markers.
- For best results, let the ink dry before coloring.

Usage Terms

For personal use, homeschooling, and classroom activities.

You may print copies for your own personal or educational use.

Digital files and illustrations may not be resold, redistributed, shared publicly, or included in other products for sale.
